APPEAL FORM

Instructions for filing an appeal

Remember that event supervisors are extremely busy during the competition. Please do not interfere with an event while it is in progress.

- Student should make an attempt to resolve the problem with the event supervisor before filing a written appeal.
- Coaches may file appeals for their team only, **not** against another team unless foul-play or vandalism is observed. Teams may also submit an appeal if they are certain that the supervisor has misinterpreted or is not following the rules.
- This form must be turned in to the scoring room **within 1 hour** after the team has competed. If circumstances prevent filing within this time limit, the appeals committee may, at their discretion, accept a late appeal.
- Please be specific in your appeal. Be sure to identify the exact rule/procedure that you feel was not followed. The appeals committee may reject appeals that are general in nature. The **official coach** of the team must sign and present this form.
- The decision of the Arbitration committee is final.
